# The Excitement 2024 IU HEREH World Tour Concert in Jakarta

We at PT. EMO Trans Indonesia are incredibly honored to be part of the IU HEREH CONCERT TOUR IN JAKARTA 2024. The concert took place successfully at the ICE BSD, where UAENA'S are gathered to witness IU's magnificent and spectacular performance.

PT. EMO Trans Indonesia was chosen as the cargo handler for the concert merchandise, ensuring smooth delivery by air freight from SIN to CGK using aircraft cargo only (CAO) at Soekarno-Hatta International Airport.

We are extremely proud to be part of this successful event, marking IU's concert in Indonesia. The event was handled efficiently, thanks to the full assistance, coordination, synergy, and support from Indonesia's customs and excise authorities. This success wouldn't have been possible without our experienced team, who have frequently participated in international events.

The concert was bursting with excitement, filled with the hysteria of IU's fans. Amidst the beat of music and colorful light shows on stage, many eyes shone brightly with joy, and their smiles and laughter were truly contagious.

**We ensured smooth delivery of concert by air freight, contributing to a successful and memorable event for eighty thousand fans.**
