FOR IMMEDIATE RELEASE

EMO Trans Inc. Acquires ASF, Strengthening Presence in Romania

Los Angeles and Bucharest: EMO Trans Inc., a global leader in customized global logistics solutions, is pleased to announce the acquisition of ASF, a long-standing agent and partner in Romania.

“We are excited to welcome ASF, Irina Gupcea, Managing Director, and her team into the EMO Trans family,” said Marco Rohrer, CEO and President of EMO Trans Inc. “This strategic acquisition is a significant milestone in our growth strategy, enhancing our operational capabilities and market presence in Eastern Europe, and reinforcing our dedication to delivering exceptional logistics services across the globe.”

For more information about this acquisition and how it enhances our services, please visit our [website](#).

About ASF: ASF, based in Bucharest, Romania, has been a prominent player in the logistics industry for over 30 years. The company offers a comprehensive range of services, including air and sea freight, customs brokerage, warehousing, and distribution. ASF is known for its expertise in managing complex logistics challenges and its commitment to delivering high quality service to its clients.

About EMO Trans Inc.: Founded in 1965, EMO Trans Inc. has been at the forefront of global logistics, offering customized solutions to meet the diverse needs of its clients. With over 250 offices in 120 countries, EMO Trans Inc. is committed to providing reliable and efficient transportation services. Our services include air, ocean, and land transportation, as well as supply chain solutions, project logistics, and customs brokerage.
